NA-YGN ANNUAL WORKSHOP

INNOVATE & REJUVENATE: ACT TODAY, CHANGE TOMORROW

Attention all young professionals of the nuclear industry! We're westward bound and we want YOU to join us! This year, the North American Young Generation in Nuclear (NA-YGN) Annual Workshop "Innovate & Rejuvenate: Act Today, Change Tomorrow" promises to arm you with knowledge and prepare you to be better future leaders of tomorrow with the fantastic backdrop and scenery that San Francisco, California will have to offer. Join us **May 16-17, 2006** at the Fairmont Hotel in San Francisco, California!

A sneak preview of topics to be presented include an inside-out look at the new reactor designs, the security at universities' research reactors, learning more about Six Sigma and its applications in the industry, and the opportunity to hear from various leaders of the nuclear industry on the hot topics of today! Don't forget it's also a chance to meet and talk to other young professionals of our specialized industry. So make your room reservation now, complete the workshop registration form and stay tuned for more information by checking our website: www.na-ygn.org!
