Please renew your membership and vote today!

As many of you are aware, an error in the ballot administration software has prevented a few members in good standing from successfully logging in to the on-line ballot. The error has been corrected, and all eligible voters should now have access to the on-line voting tool at <http://www.na-ygn.org/election/>. If you have difficulty logging in to the on-line voting tool and believe that you should be eligible to vote in the election, please contact us at [naygn@na-ygn.org](mailto:naygn@na-ygn.org).

We sincerely apologize for any inconvenience that may have been caused by error in the on-line ballot. We also recognize the inconvenience associated with the distribution of additional emails to the membership and appreciate your understanding of the importance of the distribution of this information in a timely manner.
