

### Member Actions

- **Mandatory Membership Renewal** Every year, just prior to elections, NA-YGN runs a renewal campaign. Renewal allows us to keep member data up-to-date but, most importantly, **you must renew your membership to be eligible to vote in the officer elections.** Even if you joined recently, please visit [www.na-ygn.org/aboutus/member.cgi?login=1](http://www.na-ygn.org/aboutus/member.cgi?login=1) and follow the instructions.
- **2007 Elections** Nominations are due January 31st. We still need nominations for some of the positions. Please help us identify exciting young professionals to help further our organization. This year the open positions are Vice President, Communication Chair, Public Information Chair, US Affairs Chair, and Canadian Affairs Chair. If you are interested in running, or have someone to nominate, please contact [stiles@na-ygn.org](mailto:stiles@na-ygn.org).
- **2006 Awards Nominations** Hey, have you nominated anyone for a NA-YGN award yet? Nominations are due February 1<sup>st</sup>!
  - Do you know an individual who has made a significant contribution to NA-YGN? Nominate them for an Excellence Award. <http://www.quia.com/sv/102813.html>
  - Do you know a group, company, or organization that developed a program or organize an event that exemplifies one of the NA-YGN objectives? Then nominate them for the Future Award. <http://www.quia.com/sv/102814.html>
- **End of Year Report** Did you capture a special NA-YGN moment this year? Do you have a photo of a local chapter event? If you did, please share them with us. We'd love to have them for the End of Year Report. Please send us your special shots to [mcandrew@na-ygn.org](mailto:mcandrew@na-ygn.org).

### Upcoming Activities

- **NA-YGN Professional Development Workshop, May 22-23, 2007 at the Fairmont Turnberry Isle, Aventura Florida.**
  - [Register now](#) for the 2007 North American Young Generation in Nuclear (NA-YGN) Annual Workshop to be held May 22-23 just prior to the Nuclear Energy Assembly in Miami, Florida. The theme for this year's workshop is Make a Difference: Be a Leader. The preliminary agenda includes sessions on promoting nuclear science and technology, building project management skills, understanding how to be a change agent, ethics, and more.
  - Local chapter leaders are invited to attend a working group meeting the

morning of Tuesday, May 22. In addition, young professionals interested in serving on international committees are encouraged to attend an organizational meeting the morning of Thursday, May 24.

- Young professionals and students in all areas of nuclear science and technology are encouraged to attend the workshop. For more information on this conference, go to [www.nei.org](http://www.nei.org)
- *A limited number of scholarships are available. Requests for support must be submitted by March 14, 2007 to Christine Csizmadia at 202.739.8033 or by email at [cmc@nei.org](mailto:cmc@nei.org).*

**NA-YGN bring together the different sectors of nuclear science and technology to speak with a united voice for a common goal, and to provide professional development opportunities for its members.**
