

Member Actions

- **2007 Elections NOMINATIONS DUE TODAY!** If you are interested in running, or have someone to nominate, please contact stiles@na-ygn.org.
- **Pamphlet Coordinator** Do you have mad graphic skills? NA-YGN is looking for someone to maintain our membership pamphlets. Do you have a few hours a year to help out? Contact Elizabeth McAndrew-Benavides at mcandrew@na-ygn.org to help out.
- **Mandatory Membership Renewal** Every year, just prior to elections, NA-YGN runs a renewal campaign. Renewal allows us to keep member data up-to-date but, most importantly, **you must renew your membership to be eligible to vote in the officer elections.** Even if you joined recently, please visit www.na-ygn.org/aboutus/member.cgi?login=1 and follow the instructions.

New on the Web!

- **Winter GoNuke! Is now on the web. Congratulations to the winners of the 2006 5th Grade Poster Contest!**

www.na-ygn.org/gonuke/2007/Winter/

- **What's Critical to Your Success?** Back at the May workshop our very own Amy Buu asked this question. Interested in learning the results? Read about it on our website. www.na-ygn.org/pd/CriticalToYourSuccess.pdf

Upcoming Activities

- **Elections** will take place February 26 – March 2, 2007.
- **NA-YGN Professional Development Workshop, May 22-23, 2007 at the Fairmont Turnberry Isle, Aventura Florida.**
 - Register non for the 2007 North American Young Generation in Nuclear (NA-YGN) Annual Workshop to be held May 22-23 just prior to the Nuclear Energy Assembly in Miami, Florida. The theme for this year's workshop is **Make a Difference: Be a Leader**. The preliminary agenda includes sessions on promoting nuclear science and technology, building project management skills, understanding how to be a change agent, ethics, and more. register.nei.org/conferences/naygn07registrationform.asp
 - Local chapter leaders are invited to attend a working group meeting the morning of Tuesday, May 22. In addition, young professionals interested in serving on international committees are encouraged to attend an organizational meeting the morning of Thursday, May 24.
 - Young professionals and students in all areas of nuclear science and technology are encouraged to attend the workshop. For more information on this conference, go to www.nei.org
 - *A limited number of scholarships are available. Requests for support must be submitted by March 14, 2007 to Christine Csizmadia at 202.739.8033 or by email at cmc@nei.org.*

NA-YGN bring together the different sectors of nuclear science and technology to speak with a united voice for a common goal, and to provide professional development opportunities for its members.
