Election Results

New on the Web!

Congratulations to all nominees for the 2007 election!
We appreciate your dedication to NA-YGN by running for a position.
The results are in:
Vice-President - Brent Williams
Communication Chair - Jenny Tobin
Public Information Chair - Janelle Peniston
Canadian Affairs - Zeeshan Rizvi
US Affairs - Elizabeth McAndrew-Benavides

The official core turnover will happen after the May NA-YGN conference. Until then help us welcome our newly elected core!

- **The 2007 Annual NA-YGN Workshop Agenda** is now on the website! Visit <http://www.na-ygn.org/professionaldevelopment/index.php?Page=docs> for more details.

Member Actions

- **Looking for the 2006 End of Year Reports** Did your local chapter report all of your great work back to the Core? NA-YGN is trying to collect all of the Professional Development Hours and Public Outreach Hours everyone did in 2006. If you haven't provided that information to Duncan Robinson robinson@na-ygn.org or Brent Williams Williams@na-ygn.org please do so today! This is a great metric to provide back to the industry to show the benefits of supporting NA-YGN. We're going to include it in the End of Year Report and you don't want a 0 next to your local chapter. ☺
- **Join the Video Committee!** NA-YGN is pulling together a group of people to capture the *voice of the young generation* in video format. If you would like to help create video clips of why NS&T is wonderful or why NA-YGN is helpful let us know! The group is working towards interviewing young professionals during the May conference as a first step. Contact Elizabeth McAndrew-Benavides at mcandrew@na-ygn.org.

Upcoming Activities

- **NA-YGN Professional Development Event at the Canadian Nuclear Society Conference, June 3, 2007 in Saint John New Brunswick.** Come join in for a day events focused around "Taking Charge of Your Professional Development". Register on line for the entire conference at http://www.cns-snc.ca/home_eng.html
- **NA-YGN Professional Development Workshop, May 22-23, 2007 at the Fairmont Turnberry Isle, Aventura Florida.**
 - Register non for the 2007 North American Young Generation in Nuclear (NA-YGN) Annual Workshop to be held May 22-23 just prior to the Nuclear Energy Assembly in Miami, Florida. The theme for this year's workshop is **Make a Difference: Be a Leader**. The preliminary agenda includes sessions on promoting nuclear science and technology, building project management skills, understanding how to be a change agent, ethics, and more. register.nei.org/conferences/naygn07registrationform.asp
 - Local chapter leaders are invited to attend a working group meeting the morning of Tuesday, May 22. In addition, young professionals interested in serving on international committees are encouraged to attend an organizational meeting the morning of Thursday, May 24.
 - Young professionals and students in all areas of nuclear science and technology are encouraged to attend the workshop. For more information on this conference, go to www.nei.org
 - *A limited number of scholarships are available. Requests for support must be submitted by March 14, 2007 to Christine Csizmadia at 202.739.8033 or by email at cmc@nei.org.*
- **Attend the Nuclear Energy Assembly** For those of you planning on attending the NA-YGN meeting in Miami, stay around a few extra days and attend the NEA hosed by NEI. This meeting is open to young professionals as well as any other interested party.

NA-YGN Objective:

NA-YGN represents the interest of young nuclear professionals within the industry at industry gatherings and international conferences.
