NA-YGN Announcements:

1. Rachelle Benson our devoted **Public Information Chair** has taken an opportunity outside the nuclear business and is **resigning her position effective Friday, February 5, 2010**. In order to fulfill her position for the remaining term we are going to include this in the general election which starts February 12, 2010. If you are interested in running or nominating someone please email your statement to [Brent Williams](#) by **Wednesday, February 10**. Unlike the remaining positions that are being elected the responsibilities will begin immediately after results are announced and only last approximately one year until May 2011, as decreed by the NA-YGN bylaws.

I want to thank Rachelle for all of her efforts during her tenure. This has been one of our most successful years with regard to Public Information and her guidance has proved invaluable.
