

NA-YGN Announcements:

1. To Store or not to store?? Is that the question? Join NA-YGN on **October 13th at 1pm EST** for a **webinar discussion on the political status of Yucca Mountain** and what the legal implications to individual licensees are as a result of the redirection in public policy. Our speaker will be Marshall Cohen, Senior Director – State and Local Government Affairs, from NEI and Vincent Zabielski, Associate Nuclear Counsel at PSEG. To register click [here](#). If you have any questions contact webinars@na-ygn.org.
2. Back to School means it is Annual Drawing Contest time again! This year **Roddy Nuclear is the Power of the Future**. Check out the redesigned [website](#) for rules and planning timeframes on how your chapter can present to 4th and 5th graders on nuclear science and technology. Last year over 3,000 posters were submitted reaching students all over North America. Help us reach out to more students this Fall before the deadline of **October 22, 2010**. If you have any questions contact schooloutreach@na-ygn.org.
3. **Register now for the Southeast Regional Event!** The Energy Chapter's of NA-YGN will be hosting the 2nd annual Southeast Regional Event in New Orleans, LA on November 18th and 19th, 2010, but you don't have to be a member of the southeast region to register! If you'd like to register for this event, please enter the INPO website using your company log-in and then [click this link](#) to ensure you get registered! If you do not have access to the INPO website, please email [Giovanna Montañes-Durand](mailto:Giovanna.Montañes-Durand) and she can register you for the event. Please see the event on the NA-YGN calendar to view the agenda. For more information, contact Patrick Mason, the event chair.
4. **Save the Date** for the 2011 NA-YGN Professional Development Conference! The 2011 NA-YGN PD Conference will be held from **May 8 – 10, 2011** in Washington, DC. Please contact Adam Borcz at pd@na-ygn.org if you are interested in volunteering. More information to come.
5. **What makes your NA-YGN Chapter successful?** Go to NA-YGN's Clean Energy Insight to share and discuss what makes your chapter successful, what you've done to encourage involvement, and what your plans are for the future. NA-YGN member Carrington Dillon discusses his recent IYNC presentation "Key Aspects of a Successful YGN Chapter" on the [site](#). Please comment and discuss. Contact pi@na-ygn.org or cleanenergyinsight@na-ygn.org with any questions.
6. **IYNC is looking for a Vice President**. It was resolved that the Vice President position must be filled in before 30 November 2010 in line with section 3 (C) of the IYNC Bylaws. All candidates need to submit an Officer Candidate Form to the Executive Secretary, Senoelo Pheto (Spheto@nnr.co.za) by no later than **8 October 2010**. If you are interested in running contact your country's representative (USA- misha.swanson@cengllc.com or Canada Bharath.nangia@amec.com) for the forms.
