

NA-YGN Announcements:

1. **Register now for the Southeast Regional Event!** The Entergy Chapter's of NA-YGN will be hosting the 2nd annual Southeast Regional Event in New Orleans, LA on **November 18th and 19th, 2010**, but you don't have to be a member of the southeast region to register! If you'd like to register for this event, please enter the INPO website using your company log-in and then click this [link](#) to ensure you get registered! If you do not have access to the INPO website, please email [Giovanna Montañes-Durand](mailto:Giovanna.Montañes-Durand) and she can register you for the event. Please see the event on the NA-YGN calendar to view the agenda. For more information, contact Patrick Mason, the event chair.
2. **NA-YGN has kicked off a new initiative called +One.** This project is a joint knowledge transfer and professional development initiative targeted at helping NA-YGN members become engaged with the industry's technical decision making activities. The first +One program with the Nuclear Energy Institute is ready to receive applications. Interested individuals can learn more about +One by clicking [here](#).
3. **NA-YGN has added a new chapter!** Welcome Zachry Nuclear Engineering's Charlotte, NC location as our newest addition.
4. **Potential tracks for IYNC (Charlotte 2012) have been announced** and are looking for Track Chairs and reviewers. If you are interested in helping out in any of these areas contact the [North American Liaison](#) for IYNC.
